

## Intermediate Oncoplastic Skills Course with Mastotrainer and Cadaver Lab

Wednesday, April 29, 2020

Oquendo Center  
2425 East Oquendo Road, Las Vegas, NV, 89173

Didactic: 8:00 AM-1:15 PM  
Cadaver Lab: 1:45 PM-4:30 PM

**COURSE MODERATORS:** Lashan Peiris, MBBS, BSc, FRCS (Lon); Juliann Reiland, MD

**FACULTY:** Hania Bednarski, DO; Beth Lesnikoski, MD; Benjamin Moosavi, MD;  
Lashan Peiris, MBBS, BSc, FRCS (Lon); Anne Peled, MD; Juliann Reiland, MD

### **COURSE DESCRIPTION:**

This intermediate course is designed for general surgeons and breast surgeons who understand beginner level oncoplastic surgery, and who want to learn more advanced oncoplastic surgical techniques. The morning lectures will provide information on intermediate level strategies and techniques for delivering oncoplastic breast care related to breast conservation.

The afternoon session will provide a hands-on surgical cadaver skills lab for supervised practice of procedures taught in the morning lectures. Attendees will be assigned to stations to practice skin markings and intermediate oncoplastic surgical techniques. Attendees will be provided with required reading material prior to the course.

### **COURSE OBJECTIVES:**

At the conclusion of this course, participants should be able to:

- Apply intermediate level oncoplastic techniques and strategies in their practice by understanding when to perform intermediate oncoplastic surgery or collaborate with a plastic surgeon when performing oncoplastic surgery
- Select the most appropriate oncoplastic procedures for individual patients
- Gain knowledge of the possible complications when performing oncoplastic surgical techniques

### **CME Information:**

The American Society of Breast Surgeons designates this live activity for a maximum of 7.75 *AMA PRA Category 1 Credits*<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

### **MOC Information:**

This activity provides 7.75 *AMA PRA Category 1 Credits*<sup>™</sup> toward Part 2 of the American Board of Surgery Maintenance of Certification Program. Attendees must pass the applicable post-test with a score of 75% or higher in order to earn MOC credit.
