Thursday, April 29

THURSDAY GENERAL SESSION

3:00 PM-4:00 PM EDT  Coding and Reimbursement Symposium  Richard Fine, MD

4:00 PM-5:00 PM EDT  The John Wayne Critical Issues in Breast Cancer Forum: Special Considerations in Breast Cancer
  Moderator: Katharine Yao, MD
  Supported by an educational grant from the John Wayne Cancer Foundation
  - When to Use Neoadjuvant Therapy  Pat Whitworth, MD
  - Can Genomic Tests Serve as Surrogates for Sentinel Node Biopsy?  Kelly Hunt, MD
  - The Young Breast Cancer Patient Challenge  Ann Partridge, MD
  - Breast Cancer in Pregnancy  Diana Caragacionu, MD

5:00 PM-6:00 PM EDT  Industry Symposia

For complete program descriptions and to register for a symposium, visit the Industry Events section of the Society’s website. Satellite symposia are supported by industry through marketing grants. They are not part of the official program of the ASBrS. CME credits for these programs, if applicable, will not be provided by the ASBrS. These activities are free to all registered attendees.

6:00 PM-7:00 PM EDT  Poster Session

7:00 PM-8:00 PM EDT  Opening Reception in Exhibit Hall

Friday, April 30

Industry Symposia

For complete program descriptions and to register for a symposium, visit the Industry Events section of the Society’s website. Satellite symposia are supported by industry through marketing grants. They are not part of the official program of the ASBrS. CME credits for these programs, if applicable, will not be provided by the ASBrS. These activities are free to all registered attendees.

</tbody>
</table>
Friday, April 30 continued

4:30 PM-5:00 PM EDT  “How I Do It” Videos

- Breast Implant Associated Anaplastic Large Cell Lymphoma
- In-Office Drainage of Lactational Abscesses: Utilization of Stab Incision and Penrose Drain
- Sensation-Preserving Mastectomy with Nerve Preservation and Nipple Neurotization
- Ultrasound Guided Pectoralis II (PECS II) Block in Partial Mastectomy: Improves Pain Control and Mitigates Narcotic Use

Moderators: Dennis Holmes, MD
Courtney Vito, MD
Ayemoethu Ma, MD
Katrina Mitchell, MD
Anne Peled, MD
Kaitlyn Kennard, MD

5:00 PM-5:30 PM EDT  The Great Debates

- Postmastectomy Radiation Therapy in T1/2N1 Disease (Yes)
- Postmastectomy Radiation Therapy in T1/2N1 Disease (No)

Moderator: Susan Boolbol, MD
Anees Chagpar, MD
Rakesh Patel, MD

5:30 PM-6:30 PM EDT  Industry Symposia

For complete program descriptions and to register for a symposium, visit the Industry Events section of the Society’s website. Symposia are supported by industry through marketing grants. They are not part of the official program of the ASBrS. CME credits for these programs, if applicable, will not be provided by the ASBrS. These activities are free to all registered attendees.

Saturday, May 1

9:00 AM-10:00 AM EDT  Breakfast with Exhibitors

SATURDAY GENERAL SESSION

10:00 AM-10:45 AM EDT  Quickshot Presentations

- Controversial Areas in Axillary Staging: Are we Following the Guidelines?
- A Survey of the American Society of Breast Surgeons Membership on Contemporary Axillary Management in Mastectomy Patients
- Objective Assessment of Post-Operative Morbidity Following Breast Cancer Treatments with Wearable Activity Monitors – The BRACELET Study
- Correlation of Gene-expression from the 21-gene Recurrence Score Between Core Biopsy and Surgical Specimen in Patients with Breast Cancer
- Apocrine Breast Cancer: Unique Features of a Predominantly Triple Negative Cancer
- Guiding Light to Optimize Wide Local Excisions: The "GLOW" Study
- The Relationship Between Breast and Axillary Pathologic Complete Response in Women Receiving Neoadjuvant Chemotherapy for Breast Cancer

Moderators: Eli Avisar, MD
Brigid Killelea, MD
Ava Armani, MD
Chandler Cortina, MD
Nur Amalina Che Bakri, MD
Javier Orozco, MD
Angeleke Saridakis, MD
Martha Kedrzycki, MD
David Lim, MDCM, MEd, PhD
Saturday, May 1 continued

10:45 AM-11:30 AM EDT  Best Papers

11:30 AM-11:35 AM EDT  The American Society of Breast Surgeons
                        Lifetime Achievement Award
                        Introduction by Katherina Zabicki-Calvillo, MD

11:35 AM-12:00 PM EDT  Annual Business Meeting

12:00 PM-12:30 PM EDT  The Great Debates
                        • Routine Sentinel Node Biopsy in Post-Menopausal
                          ER+HER2- Disease (Yes)
                          Lee Wilke, MD
                        • Routine Sentinel Node Biopsy in Post-Menopausal
                          ER+HER2- Disease (No)
                          David Ollila, MD

12:30 PM-1:45 PM EDT  Lunch in Exhibit Hall

1:45 PM-1:50 PM EDT  Keynote Address Introduction

1:50 PM-2:30 PM EDT  Keynote Address: “It’s the Little Things That Matter”
                        Supported by The American Society of Breast Surgeons Foundation
                        Jill Dietz, MD
                        Elizabeth O’Riordan, MD

2:30 PM-3:30 PM EDT  Poster Session

3:30 PM-4:30 PM EDT  Industry Symposia

For complete program descriptions and to register for a symposium, visit the Industry Events section of the Society’s website. Symposia are supported by industry through marketing grants. They are not part of the official program of the ASBrS. CME credits for these programs, if applicable, will not be provided by the ASBrS. These activities are free to all registered attendees.

Sunday, May 2

9:00 AM-10:00 AM EDT  Breakfast with Exhibitors

10:00 AM-10:30 AM EDT  The Great Debates
                        • Oncoplastics Should Be Utilized in All Patients (Yes)
                          J. Michael Dixon, OBE, MD
                          Peter Beitsch, MD
                        • Oncoplastics Should be Utilized in All Patients (No)
10:30 AM-11:30 AM EDT  **Scientific Oral Presentations II**

- Cutting Instruments to Cut Costs: A Simple Initiative with Breast Surgical OR Trays that Resulted in Substantial Savings
  - Jandie Schwartz, DO

- Nipple Sparing Mastectomy: Are We Providing Proper Prophylactic Antibiotic Coverage?
  - Ayat ElSherif, MD

- Clinical Course of Breast Cancer Patients with Local Regional Progression During Neoadjuvant Systemic Therapy
  - Leisha Elmore, MD, MPH

- High Resolution Full 3D Specimen Imaging for Lumpectomy Margin Assessment
  - Swati Kulkarni, MD

  - Lee Wilke, MD

11:30 AM-12:30 PM EDT  **Benign Breast Diseases**

- Gynecomastia
  - Abhishek Chatterjee, MD, MBA

- Phyllodes Tumors
  - Kari Kansal, MD

- The Lactating Breast
  - Katrina Mitchell, MD

- Complex Lesions and Atypia
  - W. Fraser Symmans, MD

12:30 PM EDT  **Adjourn**
