The American Society of Breast Surgeons Annual Meeting provides medical professionals with the most current information on products and services related to the treatment of breast disease. The purpose of the exhibits is to complement the educational programming by providing opportunities for displays of products and services that can be used to promote research and improve the standards of practice.

**Introduction and Objectives**
The purpose of our policies and procedures for exhibits is to provide a professional and educational environment, in which the exhibitor can demonstrate, and the attending surgeon can view products and services that improve the quality of care given to the patient, enhance the management of the surgical practice, or contribute to the educational and instructional atmosphere of the meeting. Our policies and procedures, along with the application for exhibit space, are an integral and binding part of your contract with the American Society of Breast Surgeons (ASBrS) and have been designed to be implemented in a fair, effective, and equitable manner. Once your application is approved by the ASBrS, your company, and its representatives, agrees to follow all exhibitor guidelines and regulations outlined in this document.

**Exhibit Eligibility**
All products and services to be exhibited must be directly related to patient care and safety or the practice of surgery and approved by the ASBrS in its sole and absolute discretion. All decisions are final. Exhibitors may only display products and services regularly manufactured or distributed through the company’s regular course of business and described in their application, or approved in writing by the ASBrS. Applications deemed ineligible will be returned with a full refund. Eligibility and/or approval of an application to exhibit does not indicate an endorsement of a product or service by ASBrS, and any indication of such by an exhibitor will constitute removal from the exhibit hall. Distribution of any printed materials, showing of equipment, and product presentations to ASBrS registrants or guests by exhibitors other than in the exhibitors’ assigned exhibit space during the official dates of ASBrS 2018 is prohibited.

Prior written approval by The American Society of Breast Surgeons is required for any meeting or event that is scheduled in conjunction with the 19th Annual Meeting. Do not contact the hotel directly to schedule a meeting, dinner, social or hospitality event.

Exhibitors sponsoring any type of private function are required to adhere to the following guidelines:

- All functions must be booked through the Society using the Request for Function Space Form and include a description of the function, the location, if not in hotel, and type of activity planned. Please do not contact the hotel directly.

**WARNING:** Over the past year, many exhibitors have received messages from companies claiming to have the ASBrS annual meeting attendee list and/or membership list with emails and offering to sell it to you. Unfortunately, this is a universal problem with other societies and groups that have annual meetings. There is not much that can be done other than alerting our supporters of this scam. Please be aware that no company is authorized to sell our list and lists offered by anyone other than the American Society of Breast Surgeons are fraudulent. These are scams and no one in the Society opts in to allow their email address to be distributed. If you receive such a solicitation, we suggest you do not purchase since the list was obtained without permission. Your company could be blacklisted as a SPAMMER if you use the list.

Companies who decide to exhibit at the ASBrS annual meeting have the opportunity to rent a lead retrieval system from the Society’s authorized vendor. The attendee contact information provided will include email addresses.

Please forward any requests you receive it to the Society so our legal team can investigate it. We also suggest that you mark these emails as JUNK by doing the following: Right click the email, select junk, and then block sender which helps teach the SPAM filter to catch more of this type of email.

**Exhibitor Forum**
Representatives from each exhibiting company are invited to attend the exhibitor forum. The forum is designed to give exhibitors an opportunity to meet with the members of the Society’s Corporate Relations Committee to discuss ways to improve the annual meeting from the exhibitors’ perspective. The 2018 Exhibitor Forum will be held on Friday, May 4 at 2:30pm (location TBD).

**Exhibitor Housing**
Exhibitor housing will open in January 2018. A link to the reservation site will be sent to you once your application is approved. You must book your room(s) through Atlas Travel Meetings & Incentives (ATMI), the official housing bureau of the Society, by using the link that will be provided. Please contact Laura Lage, ASBrS2018@atlastravel.com, 800-553-5995 (phone), 508-449-3090 (phone outside of the US) for more information.

In an effort to ensure an equal opportunity for all exhibitors to obtain hotel rooms, The American Society of Breast Surgeons has adopted the following exhibitor housing policy:

- Hotel reservations will only be accepted from Society-approved exhibiting companies.
- Exhibitor housing will open in January 2018 and a link will be sent to you to make your hotel reservations after your application is approved.
- Exhibiting companies must book all rooms within the official housing block and reservations must be made through the Society’s housing bureau, Atlas Meetings & Incentives. Contact: Laura Lage, ASBrS2018@atlastravel.com, 800-553-5995 (phone), 508-449-3090 (phone outside of the US). **Please do not try to book your rooms directly with the hotel.**
- A deposit of one night’s room and tax will be charged to the credit card supplied for each room reservation.
- All reservation requests must be received no later than 5:00 pm EST on March 22; however, it should be understood that all room blocks are subject to selling out before that deadline. While the Society will attempt to meet requests received after that date or after the room blocks are filled, those reservations will be subject to rate and space availability.
- **PLEASE NOTE:** Some Exhibitor Reservations might be asked to move to another hotel if the hotel room block is tight and we need rooms for the attendees.
- Exhibitor attendee reservation confirmations will be sent approximately two weeks prior to arrival date
- **Any exhibitor circumventing the above policy will be considered in breach of this policy.**
NEW FOR ASBrS 2018: Due to limited rooms at the headquarter hotel, the Society has adopted the following rules for ASBrS 2018:

- Each exhibiting company is entitled to reserve a specific number of rooms based on the size of exhibit space and support at the JW Marriott Grande Lakes. **Rooms will be assigned as follows:** 10x10=4 rooms; 10x20=8 rooms; 20x20=16 rooms, 20x30=20 rooms. Any additional rooms requested at the headquarter hotel will be assigned if rooms are available.
- For every additional $10,000 given in support of the Society, an exhibiting company earns 1 additional room at the headquarters hotel.
- Atlas Travel Meetings & Incentives (ATMI) will be able to accommodate exhibiting companies that request larger blocks at ancillary hotels. As a courtesy to your fellow exhibitors and attendees, please do not block rooms on a speculative basis; block only the rooms that are actually needed.

It is critical that the Society fulfill their commitment to the hotel by honoring the contracted hotel blocks. Hotel blocks are based on the show’s history. We rely on a solid sleeping room pick-up to acquire the exhibit space we need in future meeting hotels, and to provide the complimentary amenities our exhibitors have grown accustomed to receiving. Therefore, not to be punitive, but to continue to provide the services we have in the past, **exhibitors who reserve sleeping rooms outside the ASBrS housing block will be penalized by, but not limited to:** 1) a reduction of current priority points and/or forfeiture of future priority points; 2) a per badge charge of $50 for each exhibitor badges; and/or 3) booth space rental fees increase.

This policy has been adapted to:
- Ensure that the Society’s exhibitors have affordable accommodations at the current meeting, as well as future ones.
- Protect the Society’s contractual obligations to the hotels, which are established well in advance of the meeting and holds the Society liable for attrition penalties due to unfilled rooms. (Unfilled rooms include un-booked rooms, as well as early departures; therefore, exhibitor should reserve only the number of rooms/room nights needed for the actual time they expect to stay.)

**2018 Housing Cancellations & Penalties**

- **The hotel reservation cut-off date is 5:00 pm EST on March 22.** You may cancel your reservation up until this date without penalty. **ASBrS will submit the rooming list and credit card information to the hotel at this time.**
- All reservations canceled after 5:00 pm EST on March 22, but before 5:00 pm EST on April 12 will incur a penalty equal to 1 night’s room and tax.
- Any reservation canceled or length of stay shortened after 5:00 pm EST on April 12 will be charged for the full value of their reservation.
- Prior to the cut-off date, name and date changes can be made by accessing your reservation through the housing website. After April 12, all reservation changes or cancellations **must be made by email to ATMI** (email: ASBrS2018@atlastravel.com) and you must receive a confirmation of this change/cancellation. If applicable, stated cancellation penalties will be assessed by the hotel.
- A no-show (not checking in to the hotel on the reserved date) will cancel the reservation and full penalties will apply.
- Any rooms blocked and not used, including no-shows and early departures will obligate you for the full room night and tax cost of the entire length of the stay. This penalty will be calculated according to the number of nights reserved as of 5:00 pm EST on April 12.
- **Hotels, at their discretion, may charge an additional penalty for early departures and late cancellations.**

**Security**
The American Society of Breast Surgeons will provide overall security guard service for the duration of the meeting but it is the sole responsibility of each exhibitor to secure the exhibit, its contents, and all personal belongings. Exhibitors are to use precautions to ensure safety and prevention of loss or damage to the exhibitor’s property. The exhibit area will be locked by hotel security and access to the area will be permitted only during the scheduled exhibiting hours.

**Official Service Contractor**

Revised 10.13.2017
The official service contractor for the meeting is The Freeman Company. Freeman will e-mail Society assigned exhibiting companies a service kit in February 2018. A copy of the Exhibitor Service Kit will be posted in your Company Ready Room as soon as it is available.

Using Outside Contractor
An exhibitor using an outside contractor for the installation and/or dismantling of their exhibit must notify the Society in writing by April 11. Please provide the name of outside contractor, including supervisory personnel, plus all of the terms of the agreement that have been provided to the outside contractor. There will not be a form in the Exhibitor Service Kit for this—just use your own.

Resolution of Disputes
In the event of a dispute or disagreement between an exhibitor and the official decorator, or between an exhibitor and a labor union or labor union representative, or between two or more exhibitors, all interpretations of the rules governing the exhibition, actions, and decisions concerning the dispute or disagreement by The American Society of Breast Surgeons shall be binding on the exhibitor.

Regulations
Compliance with the Americans with Disabilities Act is the responsibility of each exhibitor. All exhibits must conform to the fire laws, health regulations, electrical codes, Fire Department Codes and other ordinances of the state of Texas and city of Dallas. Use or storage of flammable liquids, gasses or solids is forbidden. All cylinders containing oxygen or medical gas must be secured and in an upright position. Any exhibits or parts thereof found not to be fireproof may be ordered dismantled at the exhibitor’s cost and risk.

Exhibits must conform to the contracted space set by the Society and must conform to all regulations and safety codes of the hotel. The exhibitor is responsible for carrying insurance deemed necessary to comply with its obligations and agrees to indemnify and hold harmless The American Society of Breast Surgeons.

Emergencies, Strikes, Embargoes, other Occurrences beyond the Society’s Control
The American Society of Breast Surgeons will not be responsible for any delays, damage, loss, increased costs, or other unfavorable conditions beyond its control. In the event that the premises in which the Exhibition is conducted have or shall become, at the sole determination of The American Society of Breast Surgeons, unfit for occupancy, or are substantially interfered with any cause or causes not reasonably within control of The American Society of Breast Surgeons, the exhibitor agreement and regulations may be terminated by The American Society of Breast Surgeons. The exhibitor shall not be liable to The American Society of Breast Surgeons indemnities for any loss or damage resulting from the perils of fire, lighting, windstorm, cyclone, tornado, hail, riot attending a strike, terrorism, disease outbreak, civil commotion, smoke, motor vehicle damage, or aircraft damage. The exhibitor may not hold The American Society of Breast Surgeons indemnities liable for losses associated with such incidents. The exhibitor must carry its own insurance in amounts adequate to cover such conditions and other acts of God.

The following list includes the only vendors that are approved by ASBrS and authorized as an official partner:

- Official Housing Provider: Atlas Meetings + Travel
- Official Lead Retrieval Provider: Synergy
- Official Attendee List: ASBrS ONLY*

*Please be aware that no company is authorized to sell the Society membership or meeting attendee lists and lists offered by anyone other than the American Society of Breast Surgeons are fraudulent. These are scams and no one in the Society opts in to allow their email address to be distributed. If you receive such a solicitation, we suggest you do not purchase since the list was obtained without permission. Your company could be blacklisted as a SPAMMER if you use the list.
